

## EMID 2014 Legislative Platform

Approved Nov. 20, 2013

Forest Lake

1. We support the conveyance of Harambee Elementary School to ISD 623 Roseville Public Schools for the continued purpose of serving as a multi-district integration school effective July 1, 2014.

Inver Grove Heights

Roseville

2. We support the conveyance of Crosswinds Arts and Science Magnet School to Perpich Center for the Arts for the continued purpose of serving as a multi-district integration school effective July 1, 2014.

Saint Paul

3. We support the continuation of EMID as an Integration District supporting the East Metro Area.

South Saint Paul

- We request adequate and continuing integration funding supporting the student, staff, and family shared services to support integration and equity across the member districts.

South Washington County

- We request flexibility in budgeting to provide more opportunities for professional development and organizational support (versus 80% student service, 10% professional development, 10% administration) in order to make systemic changes.

Spring Lake Park

- We request the state continue to provide transportation funding for students from the EMID districts to the integration schools.
